OLD BUSINESS

<p>Sept. 7, 2023</p> <p>Item #1</p>	<p>Concerned citizens approached the committee and expressed their concern with excessive speed on Gateway Rd.</p>	<ul style="list-style-type: none"> • After discussions, it was decided that the area will be included for driver feedback signs; weather permitting and if not be on the rotation for Spring 2024. Additional discussion around the possibility of adding a stop sign – it was explained the process of having a stop sign added. The committee also will look to inform MCSO on adding the neighborhood for special attention. • [Oct 5] Committee learned that County Representative, Tracy DiFlorio wrote a letter to Sheriff Baxter thanking him for the work his deputies do on a regular basis. Additionally, Mrs. DiFlorio brought to the attention the need for more patrols and traffic enforcement from the MCSO. • [Nov 5] No further action. • [Dec7] Street added to Spring rotation for driver feedback signs. • [Jan 4] No discussion • [Feb 1] D. Lindsay confirmed that this street will be on the town's driver feedback rotation. • [Mar 7] Several streets are already having the driver feedback readers posted. Town will continue to place these readers on town roads given that winter season is coming to an end. • [Apr 4] No discussion • [May 2] No discussion • [June 6] Feedback signs were placed but needed to be removed for servicing. Once fixed, they will be placed back up into rotation. A request to County was asked to place their speed trailer in this area. • [Aug 1] Units still out for repair. Town has gone out and added florescent signs to alert drivers. MCSO did assist and placed their speed trailer out in three locations: Chestnut Ridge, Lexington, and Gateway.

Chili Traffic and Safety Committee Minutes

Mar. 7, 2024	Item #1	
Mar. 7, 2024	A concerned citizen approached the committee to express her observation of vehicles traveling at high rate of speed Bolton Trail	<ul style="list-style-type: none"> • Committee expressed their understanding of this issue and mentioned that this was a problem throughout the town and county as well as many other municipalities. David Lindsay offered that the highway department will look into signage in the area and adding the neighborhood to the driver feedback rotation • [Apr 4] No discussion • [May 2] Awaiting placement of the driver feedback and then collecting its data. • [June 6] Feedback signs were placed but needed to be removed for servicing. Once fixed, they will be placed back up into rotation. • [Aug 1] Rework and milling is currently being done in this area, no feedback signs posted yet.
